Hi Michelle,

A conference call would work, yet the items requiring clarifications are many.

Please clarify your response as stated in the second part of your e-mail below, (*the previous corrections provided on the Plan Check Correction Sheet must be addressed*). have you discussed our concerns with the City? What about the items below:

- What are the conditions of approval of the Water Quality for this project?
- What are our requirements for the inlets located within City own properties (Parks and Trails)
- Are we required to provide Architectural / plumbing plans for the homes?
- Are we required to use 100% impervious for the calculation since we do not have Architectural /site plans?
- Water quality measures for the back of the private lots, can the homeowner incorporate with the house design and privately maintain them?
- Etc.

Thank you

Selim Sawaya P.E. / P.L.S.

Hi Selim,

I'll request we schedule the meeting with the City for Wednesday, May 1, at 1 pm. Can you let me know if a conference call is preferred?

The City indicated that all permit requirements must be followed, therefore the previous corrections provided on the Plan Check Correction Sheet must be addressed.

Regards,

Michelle Staffield, P.E. | CPSWQ | QSD

Hello Michelle;

Wednesday, May 1: at 1 pm would work best for me.

It would also be greatly appreciated if you could forward a summary of what was agreed on with the City as it relates to the issues we had discussed.

Thank you

Selim Sawaya P.E. / P.L.S.

Hi Selim,

Per your request, City staff are available to schedule a meeting (in-person or via conference call) regarding the subject project's Permit requirements.

City staff are available on the following days/times:

Wednesday, May 1: 1 pm or 3 pm

Tuesday, May 7: 1:30 pm

Would you please let me know which day/time you're available? Additionally, please let me know if you'd prefer a conference call.

Regards,

Michelle Staffield, P.E. | CPSWQ | QSD
